Requests for assistance shall be directed to the Authorized Official of a Member. Specific protocols for requesting aid are set forth in the operational and planning procedures referenced in Article IV, above.

B. Response to a Request for Assistance – After a Member receives a request for assistance, the Authorized Official shall evaluate whether resources are available to respond to the request for assistance. As soon as possible after completing the evaluation, the Authorized Official shall inform the Requesting Member whether it has the resources to respond. If the Member is willing and able to provide assistance, the Member shall inform the Requesting Member about the type of available resources and the approximate arrival time of such assistance.

C. Discretion of Responding Member's Authorized Official – Each Member recognizes and agrees that execution of this Agreement does not create any duty to respond to a request for assistance. When a Member receives a request for assistance, the Authorized Official shall have absolute discretion as to the ability of that Member to respond to a request for assistance. An Authorized Official's decisions on the availability of resources shall be final.

ARTICLE VI. RESPONDING MEMBER PERSONNEL

A. National Incident Management System (NIMS) - When providing assistance under this Agreement, the Requesting Member and Responding Member shall be organized and shall function under NIMS.

NIMS provides a consistent nationwide approach that allows federal, state, local and tribal governments as well as private sector and nongovernmental organizations to work together to manage incidents and disasters of all kinds. To be eligible for federal emergency management assistance, water and wastewater mutual aid and assistance programs must meet NIMS standards for emergency preparedness and response.

B. Control - Personnel sent by a Responding Member shall remain under the direct supervision and control of the Responding Member. The Requesting Member's Authorized Official shall coordinate response activities with the designated supervisor(s) of the Responding Members(s). C. Food and Shelter - The Requesting Member shall supply reasonable food and shelter for the Responding Member's personnel. If the Requesting Member fails to provide food and shelter for Responding Member's personnel, the Responding Member's designated supervisor is authorized to secure the resources necessary to meet the needs of its personnel. The cost for such resources must not exceed the per diem rates established

by the State of Michigan for that area. The Requesting Member remains responsible for reimbursing Responding Member for all costs associated with providing food and shelter, if such resources are not provided.

D. Communication - The Requesting Member shall provide Responding Member's personnel with radio equipment as available, or radio frequency information to facilitate communications with local responders and utility personnel.

When made orally, the notice of withdrawal shall be prepared and submitted in writing as soon as practicable after the oral notice.

H. No Waiver of Governmental Immunity – All of the privileges and immunities from liability, and exemptions from laws, ordinances and rules which apply to the activity of officers, agents and employees of public bodies, including, but not limited to counties, cities, townships, and villages, shall apply to the same degree and extent to the performance of such functions and duties of Members extraterritorially under the provision of this Agreement. No provision of this Agreement is intended to, nor shall any provision of the Agreement be construed as a waiver by any governmental entity, its agents, employees or officials, of any governmental immunity as provided by Public Act 170 of 1964, the "Governmental Immunity Act," as set forth in MCL 691. 1401, et seq.

I. No liability, right or benefit arising out of any employer/employee relationship, either express or implied, shall arise or accrue to any Member as a result of this Agreement. Personnel dispatched to aid a Member are entitled to receive benefits and/or compensation to which they are otherwise entitled under the Michigan Workers' Disability Compensation Act of 1969, any pension law, or any act of Congress.

Members, as independent contractors are not authorized to enter into or sign any agreements on behalf of other Members or to make any representations to third parties that are binding upon other Members.

J. Liability. Each Member will be solely responsible for the acts of its own employees, agents, and subcontractors, the costs associated with those acts and the defense of those acts. The Members shall not be responsible for any liability or costs associated with those acts and the defense of those acts for Members outside of their political jurisdictions. It is agreed that none of the Members shall be liable for failure to respond for any reason to any request for assistance or for leaving the scene of an Emergency with proper notice after responding to a Request for Assistance.

K. Insurance. Each Member shall be responsible for insuring its activities as they relate to MiWARN. MiWARN may choose to require each Member to provide Certificates of Insurance or Self-Insurance demonstrating the Member's proper coverage and limits. In the event any Member has a lapse in proper insurance coverage, as determined by the Steering Committee, the Member may be suspended from participation in MiWARN.

L. Confidential Information. To the extent permitted by law, Members shall maintain the strictest confidence and shall take all reasonable steps necessary to prevent the disclosure of any confidential information relating to the ongoing security measures of a public body, capabilities and plans for responding to a violation of the Michigan anti-terrorism act, chapter LXXXIII-A of the Michigan penal code, 1931 PA 328, MCL 750.543a to 750.543z, emergency response plans, risk planning documents, threat assessments, and domestic preparedness strategies, including but not limited to confidential information relating to the plans, specifications and location of water and wastewater facilities provided to it by another Member pursuant to this Agreement. If any Member or third party requests or demands by subpoena or otherwise, that Member shall immediately notify the owner of the confidential information and shall take all reasonable steps necessary to prevent the disclosure of any confidential information by asserting all applicable rights and privileges with respect to such information and shall cooperate fully in any judicial or administrative proceeding related thereto.

A. Personnel - Responding Member's personnel are to be paid for work completed during a specified Period of Assistance according to the terms provided in their employment contracts or other conditions of employment. The Responding Member's designated supervisor(s) must keep accurate records of work performed by personnel during the specified Period of Assistance. Re-requesting Member reimbursement to the Responding

Member must consider all personnel costs, including salaries or hourly wages, costs for fringe benefits, and indirect but necessary costs.

B. Equipment - The Requesting Member shall reimburse the Responding Member for the use of equipment during a specified Period of Assistance. At a minimum, rates for equipment use must be based on the FEMA Schedule of Equipment Rates. If a Responding Member uses rates different from those in the FEMA Schedule of Equipment Rates, The Responding Member must provide such rates in writing to the Requesting Member's Authorized Official prior to supplying resources. Mutual agreement on which rates are used must be reached in writing prior to dispatch of the equipment. Reimbursement for equipment not referenced on the FEMA Schedule of Equipment Rates must be developed based on actual recovery of costs. In the event the Responding Member's equipment is damaged during the Period of Recovery that is not caused by carelessness, negligence or operator error on the part of the Responding Member, the Requesting Member shall reimburse the Responding Member for the repair or replacement of the damaged equipment. Damage must be reasonably attributed to the specific response and taking into consideration normal wear and tear.

C. Materials and Supplies - The Responding Member shall be reimbursed for all materials and supplies furnished by it and used or damaged during the Period of Assistance, unless such damage is caused by negligence of the Responding Member or their utility personnel. The Requesting Member must reimburse the Responding Member in kind or at actual replacement cost, plus handling charges, for use of expendable or non-returnable supplies. Handling charges shall be as set forth in the by-laws or resolution of the Steering Committee. The Responding Member must not charge direct fees or rental charges to the Requesting Member for other supplies and reusable items that are returned as soon as practicable to the Responding Member in clean, damage-free condition. Reusable supplies that are returned to the Responding Member with damage must be treated as expendable supplies for the purposes of cost reimbursement. Requesting Members shall be given the option of providing the supplies need or used by the Responding Member.

D. Incidental Costs - Other reasonably related incidental costs that are accrued by the Responding Member during the specified Period of Assistance shall be paid by the Requesting Member. Incidental costs include travel costs to deploy personnel to the Requesting Member's location, shipping costs to transport equipment, etc.

The requesting Member must pay the bill in full on or before the sixtieth (60th) day following the billing date. The Requesting Member shall return any invalid or incomplete invoice to the Responding Member within thirty (30) days after the Requesting Member receives the invoice. An explanation will accompany the invoice that states the reason for the return and any information needed to correct the invoice. Unpaid bills become delinquent upon the sixty-first (61st) day following the billing date unless alternate payment agreement between parties can be reached. Once a bill is determined to be delinquent, it shall accrue interest at the rate of prime plus two percent (2%) per annum as reported by the Wall Street Journal.

F. Disputed Billings - Those undisputed portions of a bill shall be paid under the payment plan specified above. Only the disputed portions should be sent to arbitration under Article VIII.

ARTICLE VIII. DISPUTE RESOLUTION

If any controversy or claim arises out of or relates to the Agreement, including but not limited to an alleged breach of the Agreement, the disputing Member may agree in writing, if authorized by the Member's governing body, to arbitration of the matter in accordance with the rules of the American Arbitration Association. This provision does not waive any right of any party to file the claim in appropriate court having jurisdiction.

ARTICLE IX. SIGNATORY INDEMNIFICATION

In the event of a liability, claim demand, action or proceeding of whatever kind or nature arising out of a specified event of Assistance, the Requesting and Responding Members who receive and provide assistance shall indemnify and hold harmless those non-responding Members whose involvement in the transaction or occurrence that is the subject of such claim, demand, or other proceeding is limited to execution of this Agreement.

In the event of a claim for property damage or bodily injury by a non-party hereto, arising from an event of assistance neither the Responding Member nor the Requesting Member will be deemed to indemnify, defend or hold harmless the other from any act or omission of the other Member's officers, employees, agents, contractors or volunteers acting under this Agreement.
